8. G.O. Rt. No. 102, IT&C (Infra) Dept., dt: 12.03.2008.
9. G.O. Rt. No. 103, IT&C (Infra) Dept., dt: 12.03.2008.

ORDER:

Government of Andhra Pradesh is planning to build a 'State Data Center' of approximately 8,900 sft. to cater for the entire needs of all the departments of the State Government, initially providing rack space, and then to provide the latest servers on dedicated basis and finally to culminate in managed Data Center Services to include the Application Management. M/s. APIIC Ltd. is constructing the building, which would come up shortly in the A.P. Financial District at Manikonda Village, Serilingamapalli Mandal, Ranga Reddy District.

2. The estimated cost of the space including the land cost is Rs.5,82,58,000/-. Vide references 1st and 2nd above, an amount of Rs.5,00,00,000/- has already been transferred to M/s. APIIC Ltd. for the building infrastructure for the State Data Centre. Vide reference 3rd above, an amount of Rs.55,00,000/- has been sanctioned to M/s. APTS Ltd. for procurement of hardware and software requirements for State Data Centre. Vide reference 4th above, an additional amount of Rs. 25,34,000/- has been transferred as advance payment to M/s. APTS Ltd. for the additional hardware and software requirements of State Data Centre. Vide reference 5th above, an amount of Rs. 81,51,332/- has also been transferred recently as advance payment to M/s. APTS Ltd. for the procurement of hardware and software requirements of State Data Centre. It is now proposed that an additional amount of Rs.2,69,81,680/-, which is already lying in the PD A/c of APTS be transferred for the purpose of State Data Centre Project for procurement of hardware and software requirements of State Data Centre. The details of the amount already transferred to M/s APTS are as under:

Contd...2..

::2::

- a) Rs.90,50,000/- transferred to APTS vide G.O. 6th read above for establishment of District Gateways for hardware and software and maintenance. Since this amount has not been utilized for the District Gateway, it is proposed to be transferred for the requirements of State Data Centre.
- b) Rs.1,75,00,000/- transferred to APTS vide G.O. 7th read above for procurement of Virtualization Software, Storage and Archival Solution for APSCAN. An amount Rs.48,00,000/- only has been utilized for Virtualization Software. The balance amount of Rs.1,27,00,000/- is proposed to be utilized for Storage and Archival requirements for the SDC.
- c) Rs.27,31,680/- transferred to APTS vide G.O. 8th read above for the cost of two security personnel having CISA Certification to act as MINI-CERT for APSCAN and other Government Networks. Since this amount has not been utilized so far for this purpose and since security personnel services are required for State Data Centre, it is proposed to be utilized for State Data Center accordingly.
- d) Rs.25,00,000/- transferred to APTS vide G.O. 9th read above for the entrustment of Security Audit of APSCAN. Since this amount has not been utilized for this purpose, it is proposed to be transferred for the requirements of State Data Center.

3. The above hardware and software to be procured for the State Data Centre is in addition to the procurements to be made shortly through open competitive bidding, the funding of which is supported by the Department of Information Technology, New Delhi for an area of 4000 sft. only, where as the State is building the State Data Centre for an area of 8900 sft. The additional amount for the hardware and software is required to be supported from the State funds, in addition to the power, cabling and accessories for the State Data Centre to be paid to APIIC who is building the State Data Centre.

4. Government, after careful consideration hereby accord transfer of funds for an amount of Rs.2,69,81,680/-, (Rupees Two Crores Sixty Nine Lakhs Eighty One Thousand Six Hundred and Eighty only), already existing with M/s APTS for procurement of hardware and software requirements for SDC. This amount, which is already in the PD account of M/s APTS Ltd would be used for procurement of hardware and software for the State Data Centre for further payment to the vendors as and when these items are procured and installed by the vendors.
